

# CHRISTMAS FAYRE

Friday 12<sup>th</sup> December

We are aiming to make the Christmas Fayre as **CASHLESS** as possible again this year.

From today, you can buy tokens to spend at the event using ParentPay. This helps to make buying things quicker and saves issues banking coins.

## HOW DOES IT WORK?

You pay a certain amount on ParentPay e.g. £10 and we will send you tokens (£1.00, 50p and 20p) equalling that amount to spend at the fayre. This option is available now.

**You can buy tokens until 3pm next Monday (8<sup>th</sup> December)** so we have enough time to organise them and for payments to clear.

On the Christmas Fayre Day, when you take your child to their class to be registered, your tokens will be there for you to collect and take to spend. If you have more than one child they will be at your eldest child's class.

If you do bring cash to the fayre, please bring coins as we will not be able to change notes!

More details on the Fayre day itself to follow.....
