

Young Futures Academy

Dear parents/carers

We are happy to announce that, **Young Futures Academy** are looking to offer an after school wrap around service at Woodrow First School. We are a sports coaching and childcare company who provide sports sessions in various schools and also offer wrap services in a number of other schools. We have over 10 years experience so you can be rest assured you children are in safe hands. We need to gauge the interest for the service so please reply to the survey at the bottom of this letter or the link that is sent via text.

After School Club

The afterschool wrap around will be located on school premises so no more walking offsite for your children.

There are 3 timed sessions available and they are as follows –

3:15pm until 4:30pm - £5.50

3:15pm until 5:30pm - £10.00

4:15 until 5:30pm - £5.50

All children will get the option of a light snack (sandwich/fruit) and we also provide juice/water

We believe this price is very competitive in the area and we believe we offer very good value for money as it equates to roughly £5.50 per hour for childcare! The afterschool club will only be able to go ahead if there is enough interest to make it viable, so please, if you would like this service make this aware to the school through the survey they will be issuing in due course.
