

Dear Parents

To celebrate Easter we thought we would ask children to decorate an egg at home and bring into school on Thursday via their classrooms.

We can have a display of all the eggs in school and have a look at each others.

IT IS IMPORTANT YOU BLOW THE EGGS BEFORE THEY ARE DECORATED OR HARD BOIL THE EGGS!

(There is good advice on the internet how to do this with a safety pin)

We have thought of some ideas below but are sure you can come up with your own designs.

Good luck
