Dear Parents & Carers

We have not had the beginning to the school year we had planned.

The response from the Woodrow Community has been tremendous. We are amazed at the home learning happening so far. Please be patient if there are a few hiccups.

Alongside the home learning we are:

- Working on organising lunches for children entitled to free school meals
- Ensuing you all have access to home learning
- Keeping in touch with children online or by phone

Keep an eye on facebook and the school website for updates.

Please do not hesitate to contact me if you have any questions or concerns.

We think the BBC plans for lessons on CBBC is brilliant.

Please stay safe!

Yours sincerely

Mr R Kieran
