Dear Parents & Carers

Face coverings:

- **We would request that when parents attend school at the beginning and end of the day you wear a face covering.**
This request is for the benefit of all members of the school community. This is due to the number of parents coming on to the school site and how close people are to one another.
- **Please note this does not apply to children.**

Returning after isolation:

- In the event of your child having to self-isolate we would be grateful if you could bring your son/daughter to the front of school (Mrs Taylor's window) before returning to class. This will help us to ensure we follow our procedures for children returning.
- This is not necessary if your son/daughter has been off school for other reasons.

Other Absences

- Please ensure you continue to contact school whenever your son/daughter is absent. It really helps us.

Please be assured that Woodrow – like all other schools is working closely with the Health Protection Team and the Local Authority while we live through these challenging times.

Thank you for your continued support.

Mr R Kieran
Headteacher
