Dear Parents & Carers

Government guidance is that children wash their hands throughout the school day. We abide by this and children wash their hands a minimum of six times a day.

- On arrival
- Before break-time
- After break-time
- Before lunch
- After lunch
- Before home time

This is a lot of hand washing which is vital at the moment. We would like to speed up the process at certain times during the school day by using hand sanitisers. Children will always wash their hands on arrival and before eating.

School will provide the hand sanitiser; children do not need to bring their own.

We understand there may be some children who, for medical reasons, cannot use sanitiser.

If you would like to discuss this with me please do not hesitate to contact school.

Meanwhile, thank you all for your tremendous support since our return.

Yours sincerely

Mr R Kieran  
Headteacher
