Year 4 Primary Social Action Project

Dear Parents/Guardians,

Woodrow First School will once again be participating in RSA Academies Year 4 youth social action project (known as RSA4).

What is RSA4?

RSA4 is a child-led social action programme that empowers even some of our youngest citizens to make a difference in their community. It provides pupils with an opportunity to identify and research a social or environmental issue that they feel passionate about, then make a difference to this through awareness raising, fundraising or taking practical action.

Last year Woodrow First School pupils chose to look at the issue of homelessness by working with Redditch Night Stop to organise a food bank collection, fundraising events and raise awareness for the issue in the local community.

Pupil and parent RSA4 launch assembly

On **Tuesday 19th November**, Hannah from RSA Academies will be visiting Woodrow First School to give a short presentation on the RSA4 project to all Year 4 pupils between **2.40pm – 2.55pm**. Parents able to arrive early are welcome to sit in on this pupil presentation. Hannah will also do a short parents focused presentation between **3pm – 3.10pm** and will be on hand to answer any questions.

About RSA Academies

RSA Academies is an Umbrella Trust. We currently work with nine primary and secondary schools in the West Midlands. Thanks to a generous grant from the Pears Foundation #iwillFund, we are able to expand our Year 4 social action project to local schools outside our trust and we are so excited that your child's school has taken up this opportunity.

Yours sincerely

Mr R Kieran
Headteacher
