Dear Parents,

School Nurse Presentation – Thursday 17 October at 9am

On Thursday 17 October the School Nurse will be giving a presentation about the support she is able to give your child at school. A health visitor will also be available to answer questions and queries about children's health and development during their time in Foundation Stage.

This will be a great opportunity to discover more about the support that is available, ask further question and make future appointments.

The presentation will be taking place in the Blue Room at 9am. If you wish to attend please arrive slightly before 9am at the school reception. If your child is in morning Nursery or Reception class, please drop your child in through their classroom door first.

If you have any questions, please speak to a member of the Foundation Stage team.

Kind regards,

Mrs Williams
Foundation Stage Manager
