Dear Parents / Carers

Please find enclosed your child's Annual Report for the academic year 2018/2019. We aim for our reports to be a true reflection of your son/daughter's year at Woodrow.

This year we have added a new table which gives clear and visual information about attendance, effort and attitude.

The National Average for attendance at Primary/First School is 4.0% or 96.0%. So, if attendance is above this we consider it as good. Children with attendance below 90% are considered as 'Persistent absentees'.

Any 'lates' are included in the absence figure. So a child may have 100% attendance but if they are regularly late, they will still be highlighted as 'room for improvement' or a 'cause for concern'.

Again, we hope this give a clear picture of your child's strengths and areas for development.

As always, thank you for your support.

Yours sincerely

Mr R Kieran
