Dear Nursery Parents / Carers

It has been brought to my attention that some of the language and discussion topics on the Nursery playground at the beginning and end of the sessions has been inappropriate for children's ears.

We understand dropping off and picking up times are a good opportunity for social interaction, however, I would like to remind you that you are on the school premises and in close proximity to other children in Nursery and rest of the school.

We appreciate your co-operation with this matter.

Yours sincerely,

Mr R Kieran
Headteacher
