

FRIDAY 13 JUNE 2025

We are busily planning Sports Day on Friday 11 July.

Hopefully the sun will shine!

**Don't forget the picnic on
Friday 18th July 11.45am-12.45pm
Music, families & sausage rolls!**

This week we had Governors Curriculum Sub Committee, Cambridge University and Birmingham City University visiting to see Mantle of the Expert across the year groups. They were so impressed with what they saw and heard.

On Wednesday we held our Induction morning and evening for new starters in September. Thank you to the Woodrow staff for the time and effort that is put into these and thank you to the parents who had to take in so much information! It was lovely to see you all.

Today we had the opening of the Sensory Garden in our Woodland. Our Pod have put in hours of work to make this happen.

Don't forget next week, Friday 20 June is a Teacher Training Day.

Our attendance is above the National average. We are on the up-up-up! Thank you for your support.

This week Pod went to look at micro-habitats at Greenlands' playing fields.

Just to let you know which teacher will be in which year group from September.

At Woodrow we don't always see the impact of our wonderful children and how they approach their learning is seen further afield. We contribute to books, articles, attend conferences, teach in other schools and university Doctors ask to visit. Another Head from a school in Redditch said "You are the school with really cool curriculum." We are proud of our children, community and our staff.
