Hello, I'm Maddy and I'm the Education Mental Health Practitioner (EMHP) based in your school. I work within the Wellbeing and Emotional Support Team (WEST) as part of CAMHS for the Redditch and Bromsgrove team.

My role is to provide Low Intensity Cognitive Behaviour Therapy to children and young people experiencing symptoms of anxiety and low mood. Our service works to provide early intervention and support for mental health difficulties, and we can provide this support through one-to-one work with the child and/or their parents/carers, workshops, and consultations.

More information about our service and the support we offer can be found via the following link:
<https://camhs.hacw.nhs.uk/west/>

If you feel that your child could benefit from support from our service, please speak to Mrs Ryall, Mr Kieran or Mrs Taylor about putting in a referral.

Food Collection

Please be reminded that absences can be reported through scholarpack parent app, calling the school office or email
